EACH TASK CARRIES 1 POINT

SUBMIT AS MANY TASKS AS
POSSIBLE BY 12PM 28TH
APRIL, 2021

GET SET, GO WITH YOUR LOGO!

Add a layer of perfection to your project by giving it a face (logo). Choose any of your projects of this week (or something you've worked on in the past) and make a logo for it. You also get a chance to show it off on day 2 and earn some points, so why not dive straight into it, right now!

PRIVACY IS PRIORITY!

Keeping passwords safe is very important nowadays. Websites encrypt our passwords before saving them to keep our passwords safe. So get ready for this amazing task and challenge yourself to write a code to encrypt a password on your own!

DATA WILL TALK TO YOU IF... YOU ARE WILLING TO LISTEN! ~ JIM BERGESON

We are all surrounded by data without even realizing it. Why not dig deep into it and explore these data and convert them into a fantastic project ! You could start out with some public datasets listed below.

CREATE A REMINDER LIST

All the high achievers out there swear by a to-do list. But have you felt overburdened by the number of tasks you have to complete? The best way to resolve this is to have your own to-do list application that can help you keep in track with your tasks. So go ahead and create a to-do list application your way.
