PSYCH OUT

Rules :

- A **team of 2 / 3 / 4 members** shall be formed (no more or less than specified) & shall **register by 18/03/21**.
- A **Team Leader** shall be selected from the team who will handle all the registrations & submissions.
- A **participant can only be a part of one team.** Failure in following this rule shall lead to disqualification of all the teams of which he/she is a part of.
- The teams have the freedom to use the internet, books and any other resources at their disposal.
- The teams are encouraged to solve as many puzzles as they can between **19/03/21 (00:00 hrs) to 22/03/21 (23:59 hrs)**
- The team leader shall **submit the answers** on the provided link **before 23:59 of 22nd March '21.**
- Teams are encouraged to click pictures of their teams collaborating for solving the puzzles and share it on all social media **(ig handle : @csi_vit)** using the hashtag : #psychoutday
- **Each question is independent to each other and the answer is a single word or a phrase.**
- Puzzles will not require prior programming experience, just logical reasoning!
